2-Port USB Car Charger

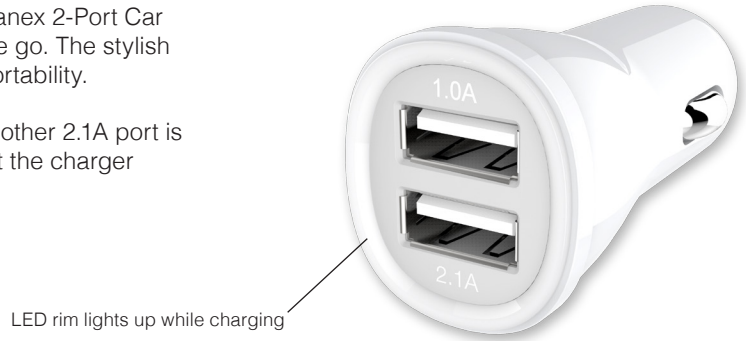
- Charge iPhone and iPad simultaneously
- Includes an LED power indicator

Simultaneously Charge your iPhone and iPad

Charge your iPhone and iPad on the road with the Kanex 2-Port Car Charger. Get unlimited talk and play time while on the go. The stylish yet durable design was built for everyday use and portability.

One 1.0A port is ideal for charging iPhone, while the other 2.1A port is ideal for charging iPad. A white LED light signals that the charger is on and ready.

1.0A for iPhone + **2.1A** for iPad



Fully Powered and Ready to Go.

Using the navigation feature on your smartphone can quickly drain the battery. Just plug into your car's 12-volt outlet then connect to your mobile device to charge while navigating and reach your destination with a full battery. Your passenger can stay fully charged as well!
